---

### Summary: -

A driven computer science graduate specializing in Web Development, I possess hands-on proficiency in HTML, CSS, JavaScript, and UI/UX design. I excel in crafting dynamic and intuitive interfaces for web applications, dedicated to delivering seamless user experiences. Leveraging my skills to innovate and adapt to evolving industry trends, I am passionate about technology and design. Continuously seeking opportunities for growth, I contribute effectively to collaborative projects that push the boundaries of digital innovation.

---

### PROJECTS: -

- **Fashion: Client-side interactive shopping website.**
